Akron Employee Kathy Richards and AWPCS Honored at Awards Ceremony.

The first award went to Akron employee Kathy Richards. She received the “2011
daily laboratory work.
and is a laboratory analyst for the Environmental Compliance Team. Ms. Richards holds
of Akron. Akron has over 60 industrial pretreatment programs and Ms. Richards has full

said Brian Gresser, Water Pollution Control Plant Administrator. “She is often seen providing educational assistance to others, making herself available to fellow lab analysts across the state. She is a true professional and truly deserves this award.”

The second award, the “2011 George W. Burke Award, was presented to the City of Akron Water Pollution Control Station, for its active and effective safety program.

individuals, Tim Lusk in maintenance and Tom Sanderson in the laboratory. All

properly addressed. In 2010, city employees worked 74,700 hours resulting in 1 accident with no lost time days. This is proof that the employees are working together and that the safety program is effective.

work our employees do, and those employees who go above and beyond, like Kathy

work ethic.”
