Akron Boil Water Advisory

*Akron Water Customers in Portions of Hudson, Twinsburg and Twinsburg
Township Affected*

Akron, OH (October 23, 2012) - On Tuesday morning, October 23, 2012, a water main break was reported on Stow Road in the City of Hudson causing reduced water pressure. Customers experiencing reduced water pressure, should expect normal service to return by 3:00 p.m. today.

As a precaution and in accordance with EPA regulations, a **BOIL ALERT** has been issued for all customers served by Akron water and residing *North* of the Ohio Turnpike within the City of Hudson, the City of Twinsburg, and

Twinsburg Township. **Those not served by Akron water and those residing South of the Ohio Turnpike are not affected.**

To ensure customers' safety, please boil your drinking water for a minimum of two minutes. This alert will continue for a minimum of 48 hours, and will only expire upon further notice.

Questions should be directed to Akron Water Distribution Dispatch at 330-375-2420.

End
