TO: CASCADE VALLEY SOFTBALL TEAM REPRESENTATIVES &
INTERESTED NEW TEAM PARTIES

Thank you for your interest in our Adult Softball Recreation Leagues. It is once again time to start making plans for the upcoming season. We strive to provide a fun and enjoyable program for all that participate, and welcome you to become a part. All leagues play at the Cascade Valley Softball Complex and are USSSA sanctioned.

The Akron Recreation Bureau Adult Softball Leagues at Cascade Valley Park will register teams for the 2017 season as follows:

REGISTRATION FOR RETURNING TEAMS from **Summer 2016** will begin immediately from 8:00a.m. to 4:30p.m. Monday through Friday either by mail or in person **and must be received by Monday, March 20th.** If you are a returning team and want to switch to another day or night, note the change on your registration form, register at the above time and if there is an opening you will be switched to it. **Any returning team not registered by the deadline may lose their spot in the league to a new team.** No special scheduling requests will be accepted.

REGISTRATION FOR NEW TEAMS will be accepted **in person only (first come first serve)** starting on Tuesday, March 21st from 8:00a.m. to 4:30p.m., and will continue until all available openings are filled.

All registration will be handled at the Recreation Bureau office located at 220 S. Balch St., Akron, Ohio 44302. Records from the 2016 summer season will be checked to make sure teams sign up for the appropriate league. New teams will be assigned accordingly.

Enclosed with this letter is a registration form. Please read over it carefully as some changes have been made. Please fill it out and present it when you register.

Per USSSA, all teams are required to pay the umpire at the field prior to each game. The price for each team is \$10 per game, given to the umpire at the game site. All registration fees have been adjusted to accommodate this payment change.

LEAGUE FORMAT FOR 2017: Single game leagues will play a total of ten regular season games and will start the last week of April. Double header leagues will play a total of 14 regular season games and start the first week of May. The top four teams in the standings after regular season play is complete will advance to the league playoffs. Regular season formats will be dependent on the number of teams.
