Vendor Application for Registration

To complete the Vendor Application, please list the commodities or services that you supply on page three.

Upon receipt of your application, and review of our needs, you **may** be eligible to **receive requests for quotations for commodities or services you provide.** Purchases over Fifteen Thousand Dollars are advertised in the legal section of the Akron Beacon Journal.

Purchases are normally made from firms located in the City of Akron whenever it is cost effective.

Special care should be taken in completing the application to assure that you receive only invitations for commodities or services for which you are a qualified vendor. This is most important since failure to respond to three (3) consecutive bid invitations will cause your name to be removed from the vendor file.

Vendors that are certified through the State of Ohio as a Minority Business Enterprise (MBE), an Encouraging Diversity, Growth and Equity (EDGE) entity, or a Disadvantaged Business Enterprise (DBE); or who are at least 51% owned and controlled by female persons are encouraged to identify themselves in Section 9 of the application.

Ability to deliver and maintain products and services in a timely and reliable fashion are critical factors in the City's purchasing process. We also check references, so please include a list with your application. Also, please note: Include local representative's names, addresses and phone numbers.

If you have any questions or require additional assistance, please contact me at the number listed above.

Respectfully,

Kim Herron
