

It is recommended that you review the 2019 Form IR instructions [here](#) prior to completing this fillable form.

This form is designed to assist many taxpayers with calculating their City of Akron Income Tax return, Form IR. In order to keep the form simple for most situations, this form DOES NOT take into account more complex filing situations such as partial year residency with wages earned outside of the City of Akron.

Tip when entering W-2 information for Line 1 of the Fillable Form IR:

W-2 information cannot be entered directly on the front page of the Form IR. Your W-2 information must be entered at the top of the second page of Form IR (also known as the back of the Form IR) under "WORKSHEET A". The totals from the entered W-2 information in "WORKSHEET A" will transfer to the first page of the Form IR.

**This fillable Tax Form is NOT TO BE SUBMITTED ELECTRONICALLY.**

If you choose to use this form, you are required to PRINT the form after you have completed it, SIGN the form, attach all W2's and other schedules, then MAIL the form and attachments to:

**CITY OF AKRON  
INCOME TAX DIVISION  
1 CASCADE PLAZA – 11<sup>TH</sup> FLOOR  
AKRON, OH 44308-1100**

\*\*\*Attention Google Chrome and Mac Users: Adobe "Reader" must be used for this form to calculate correctly. This is not the default setting for Google Chrome and Mac.

Here is how to adjust Chrome settings (especially if no other web browser is available) by disabling the Adobe Viewer so that the Adobe Reader can be used:

- Open Google Chrome
- Click on Chrome Address Bar
- Type in: `chrome://settings/content/pdfDocuments` then, Press ENTER
- Click on button to enable "Download PDF files instead of automatically opening them in Chrome"
- Once this setting has been enabled, you will need to reopen the Fillable Form IR

MAC users must be sure that the MAC's default "Adobe Preview" is disabled (since Adobe Reader is required for the e-File form). The Adobe Reader (for MAC) must therefore be installed.
