DANIEL HORRIGAN, MAYOR

Mayor Horrigan and his Blue Ribbon Task Force felt it was important to reinstate multiple commissions to

make sure Akron serves the needs of its citizens, including one that focuses on the city's senior population. The goal of the new Senior Citizens Commission is to make Akron a better place for people 60 and over to live.

The Commission has ten members, six of which are professionals in aging and social services and four are community activists representing different areas of the city.

The commission meets monthly to study and discuss different topics. These meetings are open to the public and will be held at the Main Branch of the Akron-Summit County Public Library from 12:00pm until 2:00pm on the second Monday of every month. Parking in the library deck will be validated.
